BY AND AMONG POWAY UNIFIED SCHOOL DISTRICT,
CITY OF SAN DIEGO, AND
BLACK MOUNTAIN RANCH LLC**

THIS JOINT COMMUNITY FACILITIES AGREEMENT BY AND AMONG POWAY UNIFIED SCHOOL DISTRICT, CITY OF SAN DIEGO, AND BLACK MOUNTAIN RANCH LLC [Agreement] is made and entered into as of the 10 day of SEP 10 2013, 2013 among POWAY UNIFIED SCHOOL DISTRICT [School District], a school district duly organized and validly existing pursuant to the laws of the State of California, acting on behalf of itself and COMMUNITY FACILITIES DISTRICT NO. 15 (Del Sur East) OF THE POWAY UNIFIED SCHOOL DISTRICT [CFD], a community facilities district formed pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended [Act], the CITY OF SAN DIEGO, a municipal corporation [City], and BLACK MOUNTAIN RANCH LLC, a California limited liability company [BMR]. BMR may also be referred to as the "Owner/Applicant".

RECITALS

- A. Pursuant to the application of Owner/Applicant as the owner of certain properties located within City and commonly known as the Black Mountain Ranch and/or Del Sur (a description of which is attached as Exhibit A), the Board of Education of School District initiated proceedings to: (i) establish the CFD; (ii) designate one or more improvement areas to include certain territory within the CFD; (iii) authorize the CFD to finance certain City facilities in addition to school facilities; (iv) authorize the levy of special taxes within each improvement area to finance such City and school facilities; and (v) authorize the CFD to incur a bonded indebtedness for each improvement area to finance such City and school facilities, pursuant to the terms and provisions of the Act. School District approved the formation of the CFD on December 17, 2012 pursuant to Resolution No. 30-2013.
- B. Owner/Applicant requested and proposed that the CFD be formed for the purpose of providing the means of financing the construction of school facilities of School District and the acquisition of certain public facilities to be constructed by or on behalf of Owner/Applicant and to be owned and maintained by City. The facilities to be owned, operated or maintained by City that Owner/Applicant has requested be financed through the CFD are described in Exhibit B attached hereto and incorporated herein by this reference. Individually, each may be referred to as a "City Facility" or collectively as "City Facilities." The City Facilities are located within City and, upon construction of such City Facilities by or on behalf of Owner/Applicant and following the Acceptance thereof by City, the City Facilities will become a part of the transportation, park, fire protection, library, water, and sewer infrastructure system of City. Exhibit B is not intended to indicate priority of City Facilities, whether for construction or reimbursement or act as approval of costs.
- C. The Act provides that the CFD may finance the City Facilities pursuant to a joint community facilities agreement adopted pursuant to Government Code Section 53316.2.
- D. City is willing to enter into this Agreement provided, however, that Owner/Applicant agrees to do the following: (1) indemnify City as provided for herein, and (2) design and construct the City Facilities in accordance with the terms and conditions of the existing Reimbursement Agreement for Black Mountain Ranch North, approved on August 7, 2006, pursuant to Resolution No. 301820 [Existing Reimbursement Agreement].

- E. School District and City have determined that entering into this Agreement to enable the CFD to finance the acquisition of right-of-way and construction of the City Facilities will be beneficial to the residents of each entity and, therefore, desire to enter into this Agreement pursuant to Government Code Section 53316.2.

NOW, THEREFORE, IT IS MUTUALLY AGREED between the Parties as follows:

- 6.2 **Acts and Omissions.** With respect to any liability, including but not limited to claims asserted, demands, causes of action, costs, expenses, losses, attorney fees, injuries, or payments for injury to

any person or property, including injury to Owner/Applicant's employees, agents, or officer, caused or claimed to be caused by the acts or omissions of Owner/Applicant, or Owner/Applicant's employees, agents, and officers, arising out of or arising from any services performed involving this Agreement, except liability for the Professional Services covered under Section 6.3, Owner/Applicant agrees to defend, indemnify, protect, and hold harmless City, School District, the CFD, their respective agents, officers, and employees from and against all liability. Also covered is liability arising from, connected with, caused by, or claimed to be caused by the active or passive negligent acts or omissions of City, School District, the CFD, their agents, officers, or employees that may be in combination with the active or passive negligent acts or omissions of Owner/Applicant, its employees, agents or officers, or any third party. Owner/Applicant's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the sole negligence or sole willful misconduct of City, School District, the CFD, their respective agents, officers or employees. Said indemnification and agreement to hold harmless shall extend to injuries to persons and damages to or taking of property of adjacent property owners as a consequence of the diversion of waters resulting from the design, construction or maintenance of drainage systems, streets or other improvements included among the City Facilities. Acceptance by City of the City Facilities and/or payment by School District or CFD for the acquisition of such City Facilities shall not constitute an assumption by City, School District and/or the CFD of any responsibility for such damage or taking. City, School District and/or CFD shall not be an insurer of surety for the design or construction of the City Facilities pursuant to the Approved Plans and Specifications therefore; nor shall any officer or employee thereof be liable or responsible for any accident, loss or damage happening or occurring during the construction of City Facilities, as specified in this Agreement, except as it may be shown that said officer or employee specifically directed that said work or improvement be accomplished in a manner contrary to the wishes and desires of Owner/Applicant, and this Section shall remain in full force and effect for ten (10) years following Acceptance of the City Facilities by City.

- 6.3 **Professional Services.** As to professional obligations, work, or services of an architect, engineer, or other professional related to this project, Owner/Applicant shall defend, indemnify, protect, and hold harmless City, School District, the CFD, their respective agents, officers and employees from and against any and all liability, claims, costs, and damages, including but not limited to, attorney fees, and losses or payments for injury to any person or property, caused directly or indirectly from the negligent acts, errors or omissions of the professional, architect, engineer, its employees, agents, or officers. Owner/Applicant shall require its architect, engineer, or other professional of record to defend, indemnify, protect, and hold harmless City, School District, the CFD, their respective agents, officers and employees from and against any and all liability, claims, costs, and damages, including but not limited to, attorney fees, and losses or payments for injury to any person or property, caused directly or indirectly from the negligent acts, errors or omissions of the professional, architect, engineer, its employees, agents, or officers. This Section in no way alters, affects or modifies Owner/Applicant's, architect's, engineer's, or other professional's obligations and duties under this Agreement.
- 6.4 **Operation and Maintenance.** City shall defend, indemnify and hold harmless School District and the CFD, its officers, directors, employees and agents, from and against any and all claims, losses, liabilities, damages, including court costs and reasonable attorneys' fees by reason of, or resulting from, or arising out of the operation and maintenance of the City Facilities from and after the date of Acceptance of the City Facilities or after the applicable warranty periods, if any, for the City Facilities have expired, whichever occurs later.
